From the Principal

Welcome back to term 4. The students seem very happy to be back – well rested and keen to see their friends. Welcome to our new students – two have come into kindy, two into year 2 and one into year 4.

Constable Care will give a free presentation to years PP-7 tomorrow. He will speak to the PP-yr3s about getting to school safely – largely road safety. He will speak to the year 4-7s about cyber safety.

Camp Quality will give a free puppet show to years PP-5 next Thursday. They use life sized puppets to deliver a positive message about supporting children living with cancer and serious illness. The information is age appropriate and aims to help children heighten their awareness of the need to care for and support others. If you would like to know more specific details about the show please call them on 08 9388 8533.

Swimming Lessons will be weeks 3-4 for years 1-7 at Fremantle pool. A letter has come home with a permission slip and request for payment of $50.

Junkadelic continues to run workshops with students in preparation for the Fremantle Festival parade. We will have a dress rehearsal at school on November 4th (parents are welcome to watch) and the actual festival parade is on Sunday 9 November.

Interschool athletics will be in week 3 for years 4-7 at Bateman PS. Spectators are very welcome.

2015 parent information sessions will run this term (see left) for children entering kindy or pre-primary in 2015. Also please note John Curtin’s open day for all years / parents on 28 October (see over page). This is beneficial especially if you are considering DoET gifted and talented programs.

Lisa Dentith
School Banking
Banking is every Friday in the undercover area from 8.15am.
Please contact Liann on 0433929173
Or Sandra on 0400332442.

Dads and Kids Sports day, November 2
Following the success of last year’s first Dads and Kids sports day, registration is now open at www.dadsandkids.com.au for this year’s event.

In the same spirit as the Dads and Kids camp, this is a great opportunity for fathers or father figures to play a variety of fun games with their children and build on their relationship.

Further details for the event will be emailed with the registration.

Andrew Foley

John Curtin College of the Arts
Our 2015 orientation days are:
Yr 7: 27 & 28 November
Yr 8: 8 & 9 December
Families will be advised which day they will be scheduled.
