From the Principal
Almost the end of another term! Many thanks to all parents for supporting the school again in semester 1. It’s been a long, 11 week term, full of colds and flu but everyone has soldiered on and remained cheerful… students will be bringing their reports home on Wednesday 30 June. Next term starts for students on TUESDAY 21 July…

SIM assembly 3 July
The Instrumental Music assembly on the last day of term will be led by room 8. All Instrumental Music students are invited to perform.

MUSIC
During Music in weeks 10 and 11, as part of the 2015 collaborative arts focus - Celebrating Cultural Diversity, the students will be composing their own Ancestry Raps with the intention to perform their raps to their class.

Please assist your child with a brief written outline of their ancestry, which they will need to bring to school in week 10.

Well done to all the students from years 3-6 who have been practicing their recorders daily for 5-15 min. There are some wonderful recorder players who have improved greatly with the regular practice, a big thank you to all families who have supported their children’s regular practice and music notation learning.
